MASTERPIECE
...fearfully and wonderfully made...

Masterpiece is a program designed for kids 5-12 years of age that explores age-appropriate subject matters through the performing arts using a variety of theatrical exercises.

This program was designed with your children in mind. I would love for your kids to be a part!

Masterpiece (fearfully & wonderfully made) will begin its session during Spring break, April 10 - 14, 2023 from 10am-1pm at three locations. The cost to attend is \$20 per child.

Masterpiece students will learn that they are fearfully and wonderfully made, and to respect their neighbors and friends in a "no bully" tolerance zone.

We will pray for all kids every day and quote Psalms 91 over their lives.

Masterpiece will support the well-being of kids, mentally, physically, and spiritually.

For one solid week 3 hours a day, we will focus on the story of David & Goliath and use this story as the premise for all lessons this week. We will also use other references in the bible and books that support this topic. You can only imagine all the fun kids are going to have.

This package consists of Masterpiece write-up, Registration form, Permission slip release, The week details for your kids. Please read all the attached information so you will be fully informed of what this week will entail.

Thank you for your time, we look forward to working with your children.
Please direct all questions and concerns you may have to...Debra at (206) 760-1163.
